Excellence, Integrity, Leadership

Husky Happenings – April 2018

HERITAGE HEIGHTS HIGHLIGHTS

Students have been involved in Clay for Kids, lacrosse enrichment, field trips to the Glenbow Museum and Ralph Klein Park, high school tour and registration.

Kudos to our entire student body for raising over \$2000 for House of Hope! This global awareness led by our junior high Leadership class will directly support the building of a home for girls in Tanzania.

Several grade 6 students spent an amazing Saturday morning honing their writing and illustrating talents at the 29th Annual Young Authors Conference at Highwood High. Students attended sessions of their choice (such as cartooning) and had their imagination come to life with others who share in their same passion!

UPDATES

Welcome to Ms. Keating who joins our staff in 2K while Mrs. Kotelko is on her leave of absence.

Safety is our primary concern when students are being dropped off in the morning or picked up at the end of the day. Please use our south parking lot for parking (when you leave your vehicle and come into the school) when dropping off or picking up your child. If you are dropping off your child, please use the parent drop loop at our main doors. This also ensures we have your child marked present for school if they happen to be coming in right at the bell. We must keep our bus loop clear as that loop is identified for busses and staff parking only.

We are well into our planning for next year. Teachers will begin the process of classroom placement for students in May. With that in mind, we recognize parents play an important role in determining what is best for your child. We recognize there may be situations where parents have additional information for us to consider when making placements for the next school year. Collaboratively, administration and teachers base our decision on what is in the best educational interests of children. This week you can expect a letter home that outlines the process we follow. At that time, should you wish to provide us an educational reason to consider, please ensure you are making a request where the educational reason is clear. We are not asking parents to request particular teachers. We do consider all requests that are made for class placement, however, not all requests are accommodated. All requests must be submitted by the stated deadline in order to be considered.

SPECIAL POINTS OF INTEREST:

- [Monthly Calendar](#)
- [Remind \(Sign up\)](#)
- [Fundraiser Information](#)

Good luck to all badminton players we enter tournament play at Edison School.

Please note two important fundraisers happening at HH now. First, Kari G. (grade 9 parent volunteer) is spearheading a clothing donation and sale in support of our grade 9 farewell and the Humboldt tragedy. Please see the email sent home on Friday for more information regarding this fundraiser. Second, Parent Council is once again sponsoring the spring fundraiser flower sale. If we ever get spring in Alberta, we will all appreciate the beauty of flowers in our garden. Please see the order information attached to this newsletter.

A reminder to visit our website for important dates and information. <http://heritageheights.fsd38.ab.ca>.

I am always happy to meet with parents to discuss any aspect of our school.
