Husky Happenings – June

HERITAGE HEIGHTS HIGHLIGHTS

SPECIAL POINTS OF INTEREST:

- [Administration / Office News](#)
- [Monthly Calendar](#)
-

I would like to acknowledge and thank our amazing Parent Council! This small but mighty group of parents meets monthly and is committed to enhancing the program at Heritage Heights for ALL students. Their volunteer commitment ranges from classroom support to advising administration to running hot lunch program to fundraising – they do it all and it is a huge benefit to the school and students. This year alone Parent Council has spearheaded fundraising events that have raised over \$10,000 in support of our students! As a final celebration to the year, Council will be sponsoring our year end swimming and gymnastics events resulting in savings for parents of all students K-6. Council is a vital component of a successful school. Please save the date of our next meeting Monday, September 17th at 7 pm in our Learning Commons.

Our Kids Cancer Care ‘shave a lid for a kid’ fundraiser was an outstanding success! On Thursday, May 31st 41 students bravely shaved their head in front of a full gymnasium! Together students raised \$35, 875! The generosity of our community is absolutely amazing!

On Friday, June 1st we celebrated a special night to remember with our grade 9 farewell. Our 56 grade 9 students are soon to enter the next phase of their educational journey and head off to high school. We wish all our students well and know they will always demonstrate their Husky pride!

Congratulations to our student athletes and their recent accomplishments. Several athletes recently competed at the junior high Divisionals and Zones track and field meet. Congratulations to Cormac J (1st in javelin); Nickolas G (3rd in javelin); and Layne V (5th in javelin) for their performance at Zones.

UPDATES

As we approach the end of the year we are aware that some students will be leaving before June 28th. If your child will not be here on the last day to receive their learner profile, please contact our main office and notify Mrs. Parker. Learner profiles can be mailed to families (please send \$5 to Mrs. Pickering for postage), picked up by a friend or neighbour on June 28th, picked up at the school before July 5th, or picked up in September when we return. Please notify the office which option you would prefer if your child will not be here on June 28th.

We are in the final stages of teacher and support staffing for 2018-19. Once our full staff is in place we will share this information with families. Our projected enrolment for the fall is 555 students. We will have 23 instructional groups as follows:

K: 2 classes

1: 2 classes

Dear families,

*In Corporate Canada this year in an effort to gain an understanding of sales, business principles and the movement of money, we are going to be selling summer treats to raise money for House of Hope. Each group will sell products with a budget of \$30, for which they will submit receipts that will be reimbursed by their sales. Each group has bid on where they are going to set up their business on both **TUESDAY, JUNE 19th and THURSDAY, JUNE 21st** at recess and lunch.*

*Each group has decided upon the summer treats that they will be in charge of selling. **The maximum cost per item is \$2, but there will be items sold for as little as \$0.50.** They have managed their own advertising and ways in which they will turn profits. All profits after cost recovery will be donated to House of Hope (our Global Charity this year at Heritage Heights). Thank you so much for your participation in this event!*
